

WORLD TRADITIONAL FUDOKAN SHOTOKAN KARATE-DO FEDERATION

“Together we have the same goal: An aim, a dream for millions of hearts: Karate Olympic Sport!”

To,
the **MINISTRY OF YOUTH AND SPORT BUCHAREST - ROMANIA**

To,
His Excellency, Minister NICOLAE BANICIOIU.

Your Excellency,

We would like to inform you, in 5 October 2013, I have sent you an email for your information regarding the changes made in the Romanian karate world after the splitting in two of the Romania Traditional Karate Federation in 13 June, 2013.

Until this day (13 June 2013) the Romania Traditional Karate Federation was a legal member of the World Traditional Fudokan Shotokan Karate-Do Federation (WTFSKF) – the only registered and recognized entity in the world in this domain worldwide. Based on the affiliation in WTFSKF the Romania Traditional Karate Federation had in the last ten years the recognition of the Sport and Youth Ministry in Romania.

All the certificates, medals and results from the international competitions was recognized by MTS.

Regarding the fact that from June 2013 FRKT is not anymore the member of WTFSKF we consider necessary to inform you that FRKT has preferred to make their affiliation to an another entity, so-called World Fudokan Federation (WFF) is actually a sports association (with the status of a foundation) which was recorded strictly in territory of Serbia without any international recognition and competence. They took this name World Fudokan Federation – without respecting any international law and having no worldwide registration.

In the period 27 November – 2 December 2013, FRKT have participating in a championship organized by WFF in Prague where possibly they have achieved some results. Given the operational illegality of WFF, we consider that the results obtained in this championship from Prague cannot be recognized legally neither by MTS nationwide nor by the territorial sport directorates. We're convinced that you will make the right decision about resolving this situation in the legal bases.

Regarding this situation we would like to inform you that WTFSKF have proceeded already sending WFF in front of the International Sport Court (TAS-CAS).

WORLD TRADITIONAL FUDOKAN SHOTOKAN KARATE-DO FEDERATION

"Together we have the same goal: An aim, a dream for millions of hearts: Karate Olympic Sport!"

All of these are a policy of disinformation and denigration practiced by WFF by publishing these false documents without any legal cover and they have managed to create confusions and basically the divisions (breakings) of the karate clubs in Romania.

In the same time we inform you most of the FRKT clubs been have reregistered as the Romanian Fudokan Karate Federation and have participated in the 5th World Karate Championship in Walcz, Poland 27 Nov. 2 Dec. 2013 organized by the WTFSKF. In this competition Romania have obtained 95 gold, 52 Silver and 40 Bronze medals. We consider that these are the unique legal and official results which we have published in the Official Bulletin on the WTFSKF website www.wtfskf.org.

We believe that you and the leadership of the MTS will recognize only these results, because they are the only legal based results.

Dear Minister by this official address I wanted to let you know the reality and showing the correct information to you and to the institution you are running MTS.

For any questions or clarifications I am at your disposal any time.

I wish you all the best and to your family.

Sincerely yours,

WTFSKF PRESIDENT
Dipl. Eng. IONEL BARA
